Customers by risk tier

Recommended actions

- Contact high-risk customers early, especially in their first year.
- Offer month-to-month customers an incentive to move to a longer contract.
- Promote automatic payment and a free trial of tech support or online security.

Start with the top of the table, and test each action before rolling it out.

Highest-risk customers to contact first

Sorted by predicted churn probability

customerID	churn_probability	risk_tier	Contract	tenure	top_factors
7216-EWTRS	0.96	High	Month-to-month	1	tenure=1.0 (raises risk) MonthlyCharges=10.0 (raises risk)
7120-RFMVS	0.96	High	Month-to-month	1	tenure=1.0 (raises risk) (raises risk)
9725-SCPZG	0.94	High	Month-to-month	1	tenure=1.0 (raises risk) (raises risk)
1415-YFWLT	0.94	High	Month-to-month	1	tenure=1.0 (raises risk) (raises risk)
